

STAR Family Health Team
currently seeking a
Temporary Nurse Practitioner – .8 FTE

The STAR Family Health Team provides comprehensive primary health care services to two clinics in Stratford, and one clinic to serve Tavistock And Region (STAR). It consists of a dynamic forward-thinking group of family physicians, nurse practitioners, nurses, mental health workers, dietitians, pharmacists, and psychological associate, all supported by a committed and experienced administrative staff. We are a fully computerized environment and offer competitive wages. We strive to support excellence in practice and continuing education.

Description:

We are looking for a **(.8 FTE) Temporary Nurse Practitioner** to work collaboratively with all members of our multidisciplinary team. You will provide comprehensive acute or episodic primary care and chronic disease management to a variety of patients. Experience with procedures is an asset. You will also assist in the development of programs, resources and the creation of linkages within the Family Health Team.

Qualifications:

You will have current registration with the College of Nurses of Ontario as a Registered Nurse in the Extended Class and evidence of professional liability insurance. You will be located primarily in Tavistock. Experience with Microsoft Office and EMR using both Apple and PC computers will be required. With an ability to work as a professional member of a multidisciplinary team, the Nurse Practitioner must be self-directed, motivated, and demonstrate flexibility and organization to manage time effectively in this busy clinic environment.

If you would like to be part of this supportive and progressive Family Health Team please submit a covering letter and your resume by email to:
