

# unattached care clinic

For Huron Perth and Area residents without a family doctor or nurse practitioner. This is not a walk-in clinic—appointments are required.

We provide:

- Treatment for acute illnesses and ongoing health management.
- Mental health navigation and support.
- Preventive care such as cancer screenings, vaccinations, and wellness advice.

For emergency medical care please call 911 or go to your nearest emergency department

For more info, visit [hpaohht.ca/ucc](https://hpaohht.ca/ucc). To book, call your nearest clinic. We're here to ensure everyone gets the care they need.

## COLLABORATION AND COMMUNITY SUPPORT

The UCC operates independently of host FHTs but works closely with local hospitals and community organizations to ensure seamless care and comprehensive support for all patients.
